

Master of Medical Science (MMedSc)

Programme Overview

Programme by Research

The Master of Medical Science is a broad-based degree designed to allow students to pursue research topics in a range of areas and disciplines within the scope of Medical Science.

The practice of medicine unites both science as the evidence base and art in the application of this medical knowledge. It also fuses technical knowledge and theories with intuition and clinical judgement.

The programme aspires to nurture compassionate physicians and scientists who are not only educated to exhibit high ethical principles and technical aptitude, but are committed to the care and well-being of all people.

Entry Requirements
