WELCOME MESSAGE

THE DEAN OF MEDICINE

Dear friends and colleagues,

I am delighted to extend to you a warm welcome to the Universiti Malaya (UM) Health Academia Month and Research Carnival 2023. As the Dean of the Faculty of Medicine, it is my distinct pleasure to inaugurate this event, which holds great significance for us as we celebrate 50 years of medical specialty training, and embark on a journey to celebrate and discuss UM Health's research and academic excellence. This event is not just a gathering; it is a celebration of our shared commitment to advancing medical knowledge and improving healthcare for all.

The programme for the UM Health Academia Month and Research Carnival encompasses a diverse array of topics and activities to cater to the varied interests and needs. Throughout this event, we anticipate several key outcomes, including increased engagement with our alumni, greater awareness of international research and academic collaborations, enhanced student mobility opportunities, and a better understanding of diverse career pathways within the field of medicine. By bringing together diverse minds and talents, we hope to create a fertile ground for innovation, research, and funding opportunities that will drive medical science forward.

I must highlight that this event is a collective endeavour by all UM Health entities - the Faculties of Medicine, Dentistry and Pharmacy, as well as two hospitals - Universiti Malaya Medical Centre and UM Specialist Centre. Together, we are united in our pursuit of excellence in healthcare, education, and research. I would like to express my deepest gratitude to the dedicated organizing committee that has worked tirelessly to bring this event to life. Their commitment and enthusiasm are truly commendable.

Finally, I encourage each one of you to actively engage, collaborate, and contribute to the rich tapestry of knowledge that we are weaving during this event. Together, we can unlock new horizons, shape the future of healthcare, and make a profound impact on the world. Let the celebration of knowledge, discovery, and innovation begin!

Professor Dr. April Camilla Roslani
Dean, Faculty of Medicine
Universiti Malaya

WELCOME MESSAGE

THE DEAN OF DENTISTRY

Dear Esteemed Guests, Colleagues, Alumni, and Friends,

It is with immense pleasure and pride that I extend to you a warm and heartfelt welcome to the Universiti Malaya (UM) Health Academia Month and Research Carnival 2023! This year marks a significant milestone as we celebrate 50 years of medical specialty training at UM Health. It is a testament to our unwavering commitment to excellence in healthcare education and research.

This grand celebration is a collective endeavor by all UM Health entities, including the Faculties of Medicine, Dentistry, and Pharmacy, as well as our esteemed hospitals - Universiti Malaya Medical Centre and UM Specialist Centre. The Faculty of Dentistry, under the umbrella of this prestigious event, is excited to offer a range of activities. We will be organising dental screening sessions and hosting informative talks on the impact of oral health on systemic diseases. Additionally, we are proud to present a stimulating forum on "Emerging Trends, Challenges, and Opportunities in Dental Research," where experts and enthusiasts alike can come together to exchange ideas and knowledge.

Thank you for joining us in this celebration of excellence, innovation, and collaboration. Together, we will continue to make great strides in the field of medicine and healthcare.

Welcome to a month of discovery, learning, and celebration at Universiti Malaya's Health Academia Month and Research Carnival 2023!

Professor Dr. Zamri Bin Radzi
Dean, Faculty of Dentistry
Universiti Malaya

WELCOME MESSAGE

THE DEAN OF PHARMACY

Dear colleagues and friends,

Welcome to the Universiti Malaya (UM) Health Academia Month and Research Carnival 2023! Our mission for this event is resolute—to foster increased engagement with our esteemed alumni, create a broader awareness of our international research and academic collaborations, provide enhanced student mobility opportunities, and illuminate the myriad career pathways within the vast field of medicine.

Within the Faculty of Pharmacy, we have curated a series of engaging activities to enrich your experience during this event. We are excited to present talks by industry leaders, accomplished alumni, and esteemed academicians who will provide invaluable insights into the evolving landscape of pharmaceutical sciences. Additionally, we invite you to participate in an interactive workshop where you can experience the intricate tablet manufacturing process at our Pharmaceutical Pilot Plant.

The UM Health Academia Month and Research Carnival 2023 promises to be a captivating journey of discovery and growth. I encourage you to actively participate, engage in thought-provoking discussions, and contribute to the enrichment of healthcare and academia.

Thank you for joining us in this celebration of excellence, collaboration, and innovation. Together, we will continue to shape the future of medicine and healthcare.

Professor Dr. Hasniza Zaman Huri
Dean, Faculty of Pharmacy
Universiti Malaya

WELCOME MESSAGE

THE DIRECTOR OF UMMC

Dear Colleagues and Friends,

I am thrilled to be part of this celebration of UM Health's remarkable achievements in research and academia. This event marks a significant milestone—50 years of medical specialty training in Malaysia. It reflects our unwavering commitment to excellence in healthcare education and research. We believe in the power of knowledge-sharing and collaboration to unlock endless possibilities in healthcare, science, and technology. This event provides a platform for us to come together, exchange ideas, and inspire each other.

Welcome to the Universiti Malaya (UM) Health Academia Month and Research Carnival 2023!

Professor Dr. Nazirah Binti Hasnan
Director
Universiti Malaya Medical Centre

WELCOME MESSAGE

THE CHAIRMAN OF UMSC

Dear Colleagues and Friends,

I am thrilled to extend a warm welcome to you all as we embark on a remarkable journey during the Universiti Malaya (UM) Health Academia Month and Research Carnival 2023! This event holds special significance as we celebrate UM Health's enduring legacy of research and academic excellence. We are proud to be part of this event with the Faculty of Medicine, Faculty of Dentistry, Faculty of Pharmacy, and University Malaya Medical Centre.

At this carnival, we come together to commemorate the significant milestone of 50 years of medical specialty training in Malaysia—a testament to our unwavering commitment to healthcare education. This carnival symbolises a collective dedication to advancing healthcare education, research, and innovation.

It is a great way to show our support for healthcare education and research. I hope you will join us and share your insights with us as we explore the exciting world of healthcare.

Let's get ready for an inspiring month of learning and celebration at the Universiti Malaya Health Academia Month and Research Carnival 2023!

YBhg. Datuk Zulkarnain Bin Md Eusope
Chairman
UM Specialist Centre (UMSC)

WELCOME MESSAGE

THE CEO OF UMSC

Dear Colleagues and Friends,

I am delighted to welcome all of you to embark on a remarkable journey during the Universiti Malaya (UM) Health Academia Month and Research Carnival 2023! This event holds special significance as we celebrate UM Health's enduring legacy of research and academic excellence. It is a privilege to co-organise this event with the Faculty of Medicine, Faculty of Dentistry, Faculty of Pharmacy, and University Malaya Medical Centre.

Together, we celebrate the 50th anniversary of medical specialty training in Malaysia, which reflects our unwavering commitment to healthcare education. This carnival symbolizes a collective dedication to advancing healthcare education, research, and innovation.

We enthusiastically invite you to actively participate, share your valuable insight, and contribute to the exhilarating journey of discovery and innovation that lies ahead. Thank you for joining us in this celebration of knowledge, progress, and the future of healthcare.

Join us for a month filled with inspiration, learning, and celebration at the Universiti Malaya Health Academia Month and Research Carnival 2023!

Puan Norzaiton Senusi
Chief Executive Officer
UM Specialist Centre (UMSC)

WELCOME MESSAGE

THE ORGANISING CHAIR

Greetings to all esteemed participants of the 2023 Academia Month and Research Carnival, a remarkable event organised by UM-HEALTH partners in conjunction with the golden jubilee celebration of master speciality training. Hosted by the distinguished Faculty of Medicine and supported by the University Malaya Medical Centre (UMMC), University Malaya Specialist Centre (UMSC), Faculty of Dentistry, and Faculty of Pharmacy, this carnival stands as a testament to half a century of excellence.

Over these fifty years, disciplines like Social Preventive Medicine, Psychological Medicine, and Pathology have thrived, transforming healthcare landscapes. As we gather virtually, let's embark on a journey of discovery, collaboration, and knowledge exchange. Engage with luminaries, partake in workshops, and immerse yourself in cutting-edge research. Here's to commemorating the past and embracing the future of medical innovation. Welcome to an inspiring celebration of academia and research of UM-HEALTH stakeholders!

GENERAL INFORMATION

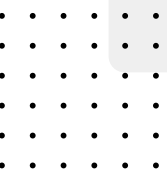

OBJECTIVES

- To share the success of 50 years of medical specialty training in Malaysia.
- To celebrate and discuss UM Health research and academic excellence.
- To engage with UM Health alumni.
- To increase awareness of international funding and collaboration opportunities.
- To increase the interest of young people in science and technology.

TARGET AUDIENCE

UM researchers, students, alumni, industry collaborators & stakeholders, prospective students, and members of the public.

PROGRAM SNAPSHOT

UM HEALTH
**ACADEMIA MONTH &
RESEARCH CARNIVAL 2023**
Serving the Nation Through Research and Academic Excellence

Parallel program

Time	Day 1 (Mon 2 Oct)	Day 2 (Tue 3 Oct)	Day 3 (Wed 4 Oct)	Day 4 (Thu 5 Oct)	Day 5 (Fri 6 Oct)
0830					Panel Session: Student Mobility Program
0900			Business Idea Basics for Healthcare: Person-Product-Plan		
0930	50 Years Universiti Malaya Master in Psychological Medicine Program	The Role of Universities Towards Meeting SDGs # Symposium: Advancing Osteoarthritis Rehabilitation: Bridging Research and Practice	# UMMC Health / Dental Screening / UMSC Optometry Service / Hearing Test / Blood Donation Campaign / Exergaming (until 1630)	Academia Day 2023: Celebrating 50 Years of Medical Speciality Training Launching of NPMC Second Cohor & E-Portfolio (until 1130)	Forum: Interdisciplinary Biomedical Research # Scientific Poster Competition (until 1030)
1000	Break / Booth Visit + Networking / Scientific Poster Competition			# Dental Screening (until 1630)	
1030	Mpower B40: Breaking Barriers and Building Future-Malaysia Madani	Forum: Addressing the Social Determinants of Health in Undergraduate Medical Education Curricula across the World	Impact of Oral Health on Systemic Disease		Learning with Purpose: Making a Difference in the World
1100	# The Recycle Innovation Challenge (until 1230)				UMSC C.A.R.E Fund Research Grant (UMSC-RG), Dato' Mahmood Merican Medical Research Grant (MMRG) 2023 & Scientific Poster Competition Awards and UM Health AM-RC 2023 Closing Ceremony
1130	Eco-spirituality and Sustainable Development: MyWORK@UM Project to Enhance Wellness and Occupational Resilience among University of Malaya Campus Communities	# Symposium: Advancing Osteoarthritis Rehabilitation: Bridging Research and Practice (until 1300)	Forum: Emerging Trends, Challenges, and Opportunities in Dental Research	Break / Booth Visit + Networking / Scientific Poster Competition	
1200					
1230	Opening Ceremony of UM Health Academia Month & Research Carnival 2023	Pathology in the Value Proposition of Healthcare	The Art of International Academic Networking & Research Collaboration	Lunch Talks: Sancy Bhd & My Cytohealth	Appreciation Lunch & Networking
1300	Lunch Talk: Hi-Tech Instruments	Lunch Talk: Novatiq Scientific Sdn Bhd	Lunch Talk: B-Crobes		
1400	UM Student Activities to Combat Stigma for Mentally Ill Patients	Global Infectious Disease Epidemiology	Faculty of Pharmacy: Talk by Industry, Alumni and Academician		
1430		# Development of Forensic Pathology & Forensic Anthropology in Malaysia (until 1630)		Postgraduate Career Fair for Research, Mixed-mode, Coursework Students	
1500	Rumah Sinar Kasih Kuala Lumpur - A Road to Recovery for Dual Diagnosis				
1530			Workshop: Pharmaceutical Pilot Plant - Experience the Tablet Manufacturing Process (until 1530)	# AI in Healthcare with The Hong Kong University of Science and Technology, Hong Kong (from 1430)	End of Carnival
1600	Malaysian Stem Cell Registry (Stem Cell Donation) Get to Know us for Cancer Research: MAKNA	Forum: Learning from the Empowered Community to Strengthen Public Health Implementation	# Exploring AI in Teaching Learning & Research (until 1600)		
1630	Session Closed
