**Urothelial CAncer Preceptorship 2025**

**19-20 June 2025 | Zenith Hotel Putrajaya**

## Objectives

- ☐ Understand urothelial cancer pathology and radiology.
- ☐ Learn both surgical and non-surgical management strategies.
- ☐ Master treatment optimization for localized and advanced disease.
- ☐ Apply evidence-based practices to individual patient care.
- ☐ Use available evidence to make informed decisions.
- ☐ Gain experience in multidisciplinary care.
- ☐ Network and collaborate with experts and colleagues.
- ☐ Promote evidence-based practice and education.

## Target Participants

- ☐ Oncology and urology trainees.
- ☐ Young oncologists and urologists with interest in urothelial cancer.

## Case Submission Guidelines

Submitted cases must be written in English and pertain to urothelial cancer. All submissions must meet the following requirements:

- ☐ **Submission format:** PowerPoint (widescreen 16:9 format) with a maximum of 8 slides, including introductory and summary slides.
- ☐ **Content:** Provide detailed case information with relevant findings (e.g., scan images) and clearly state learning objectives or discussion points.
- ☐ **Selection:** Selected cases will be presented by preceptees at the live workshop. There are prizes for best presenters. Registration fee will be reimbursed for selected cases.
