FACULTY OF MEDICINE TOP MANAGEMENT

OUR VISION

A global academic health science centre that transforms society through knowledge and empowerment.

OUR MISSION

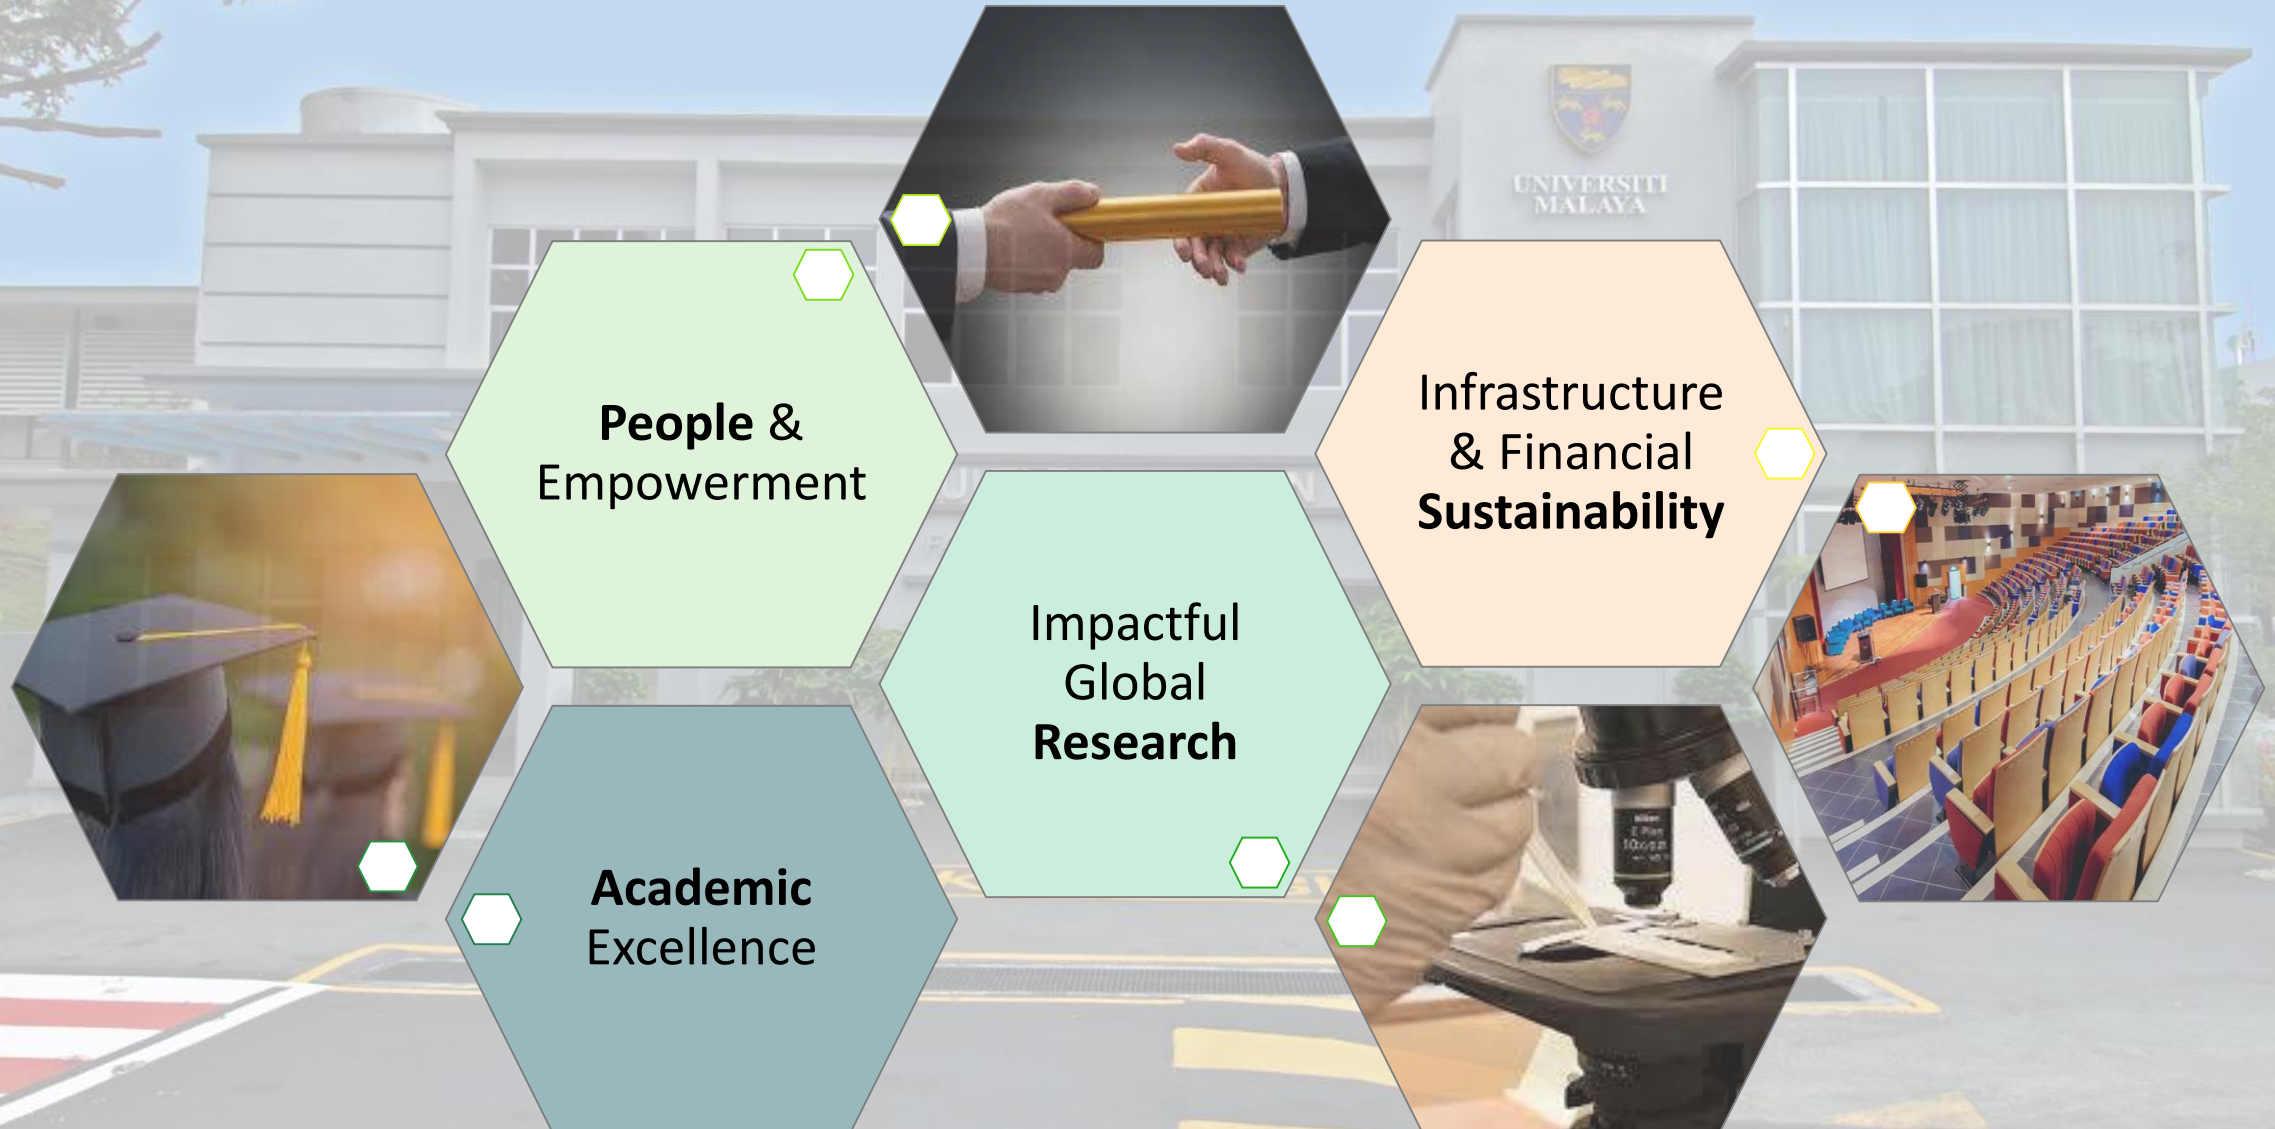

To nurture lives and empower communities through high-quality and transformative healthcare scholarship in education, research, service and leadership, in a diverse and engaging environment.

Our Culture & Values

VALUE	CULTURE
INTEGRITY	We act with honesty and accountability and adhere to the highest standards of ethical and moral principles through our personal and professional behaviour.
GLOBAL- MINDEDNESS	We value diversity, inclusivity and collegiality, and celebrate the power of connections between disciplines and partnership with global
ACADEMIC FREEDOM	We uphold pioneering and innovative spirit in education and research, and exercise this freedom responsibly, in the pursuit of intellectual growth.
VISIONARY PROFESSIONALISM	We pursue continuous development of our expertise, as well as demonstrate high-level competency, agility, tenacity and respect at work.
SOCIAL RESPONSIBILITY	We strive to make a difference, to be agents of positive change for the nation and humanity.

FOUR THRUSTS

FOM Strategic Plan 2021 - 2025

GOALS & STRATEGIES

Sustainable Leadership

- Train potential leaders
- Reward good leaders
- Plan succession

Talent Management

- Attract the right talent
- Retain experienced talent

Culture & Legacy

- Inculcate FOM culture and values
- Create policies for a safe and protected environment
- Increase visibility

GOALS & STRATEGIES

High-Value Academic Programmes

- Relevant, profitable and sustainable
- Diversity, equity & inclusivity at all stages
- Purpose-fit e.g. NPMC

Outstanding Teaching & Learning Experience

- Improve teachers' & learners' journeys
- Strengthen digital assets and innovative programmes

Student Empowerment

- Structured student empowerment programmes
- Student welfare
- Future-ready graduates

GOALS & STRATEGIES

Skilled & Ethical Researchers

- Creating a comprehensive research training programme
- Ensuring ethical conduct of research

Interdisciplinary Research Partnership

- Facilitating collaborations
- Empowering interdisciplinary research
- Engaging communities in research

Equitable Research Ecosystem

- Allocating grants equitably
- Providing sustainable research resources

GOALS & STRATEGIES

Efficient Fund Management

- Financial planning - business administration unit

Sustainable Income Generation

- Income-generating activities and services

Enhanced Facility & Space Utilisation

- Continuous improvement to existing facilities and management system
- Developing talent in facility management

54 研究士獲獎學金

贊助了54名醫學院包括醫生及科研人員在內，各系研究生開展醫學相關領域研究工作，目前有4名研究生經畢業。

馬來亞大學校長莫哈末韓迪日前在“馬來亞大學醫學院研究生獎學金計劃感謝贊助人”午宴上說，這項由馬大醫學院榮休教授陳忠登醫生所倡導的獎學金計劃，協助了許多名面對經濟難題的醫學院各系系研究生，讓他們能够在無后顾之忧情況下開展研究項目，為馬來西亞醫學領域做出貢獻，也奠定了馬來亞大學作為馬來西亞醫藥研究中心領頭羊的卓越地位。

他衷心感激馬來西亞商企業界對這個項目的支持，少了這些來自外界人士的認同與贊助，許多重要的研究項目将无法展开。

完美金鷹捐獻50萬

出席午宴的嘉賓包括完美金鷹私人有限公司董事古育英、馬來西亞社會企業家基金理事曾德志、陳楷樞、高教部前副部長何國忠等。醫學院方面則包括院長卡米拉、陳忠登及研究生院代表與會。

古育英透露，由丹斯里古潤金領導的馬來西亞完美金鷹公司今年初捐獻100萬令吉予企業家基金，其中50萬用于此獎學金計劃，另外50萬則用于企業家基金其他慈善事業。

她補充，早在2019年，丹斯里古潤金通過中國完美公司已經捐獻1百萬令吉予此計劃，本著回饋社會的初

“国强民富，只有將教育工作做好了，这个目标才会实现。”

卡米拉在致辞时向完美公司及马来西亚社会企业家基金表达感激，她说院方会珍惜这笔得之不易的捐助，将之赞助于有需要的研究生，让他们在学成后回馈社会，让“取之社会，用之社会”的善举善念循环不息。

捐助首选。

出席“馬來亞大學醫學院研究生獎學金計劃感謝贊助人”午宴的嘉賓合影。左起是陳忠登、曾德志、古育英、莫哈末韓迪、卡米拉、何國忠、陳楷樞。（完美金鷹私人有限公司提供）

5.Refurbishment of clinical skill unit (2nd floor)

The background image shows a large, tiered lecture hall filled with people, mostly women wearing hijabs, seated in rows of blue chairs. The image is overlaid with a dark blue semi-transparent filter. On the left side, there is a yellow curved shape at the top and a white star icon. On the right side, there is a white circle icon and a green diagonal line. The text "Way Forward..." is centered in the lower half of the image in a white, sans-serif font.

Way Forward...

HEALeR

Heal • Engage • Act • Lead • Reflect

Philosophy

The philosophy behind the word HEALeR is focused on promoting the well-being of our staff and productivity in Faculty of Medicine through a holistic approach.

The background of the image is a photograph of a large audience seated in a lecture hall, viewed from a high angle. The entire image is covered with a semi-transparent blue overlay. In the top-left corner, there is a yellow curved shape. In the bottom-right corner, there is a yellow curved shape. Several white geometric elements are scattered across the image: a small star in the middle-left, a small circle in the bottom-left, a small circle in the middle-right, and a small diamond in the top-center. The text 'H: Heal' is centered in the image.

H: Heal

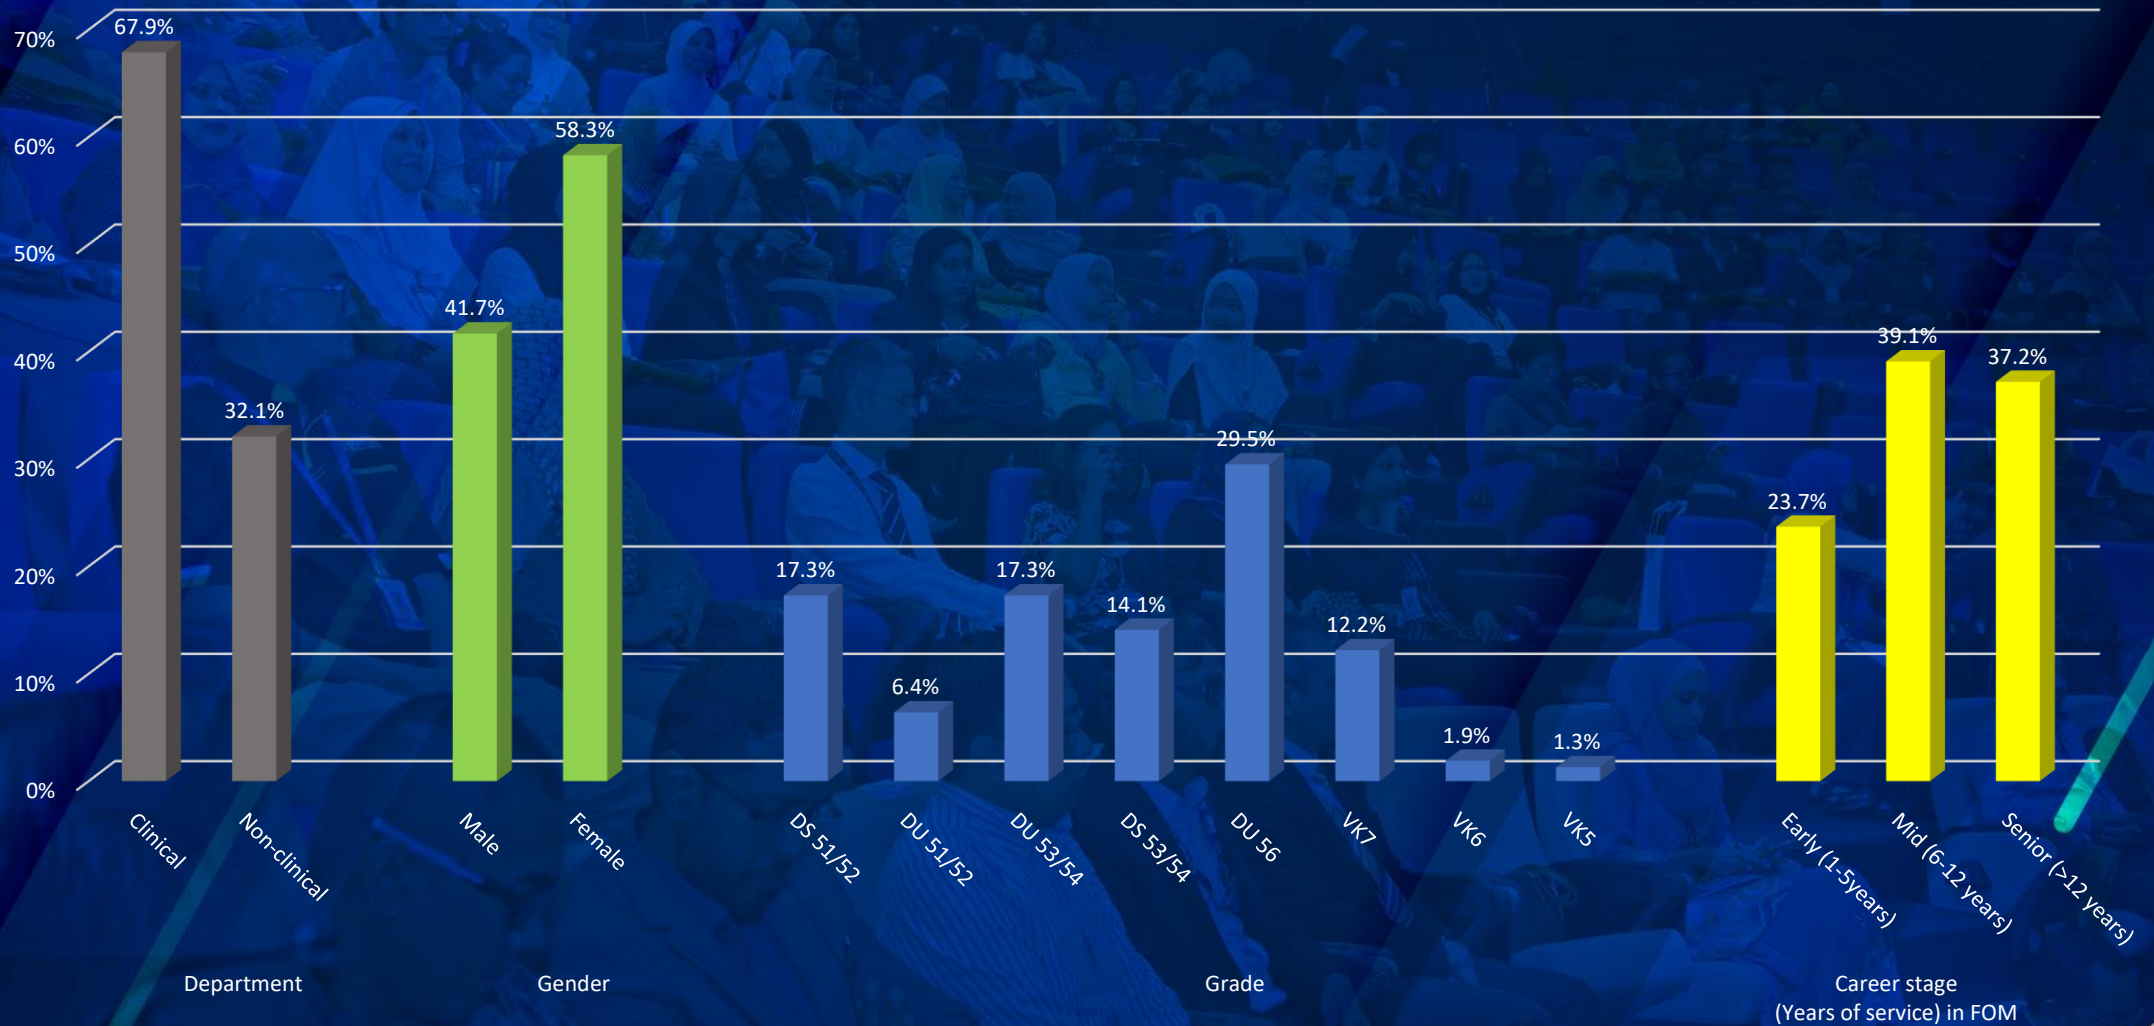

Healing Staff

Employee Satisfaction and
Happiness Survey 2022
(Academic Staff)

The Happiness
Index

EMPLOYEE SATISFACTION AND HAPPINESS SURVEY 2022 - ACADEMIC STAFF

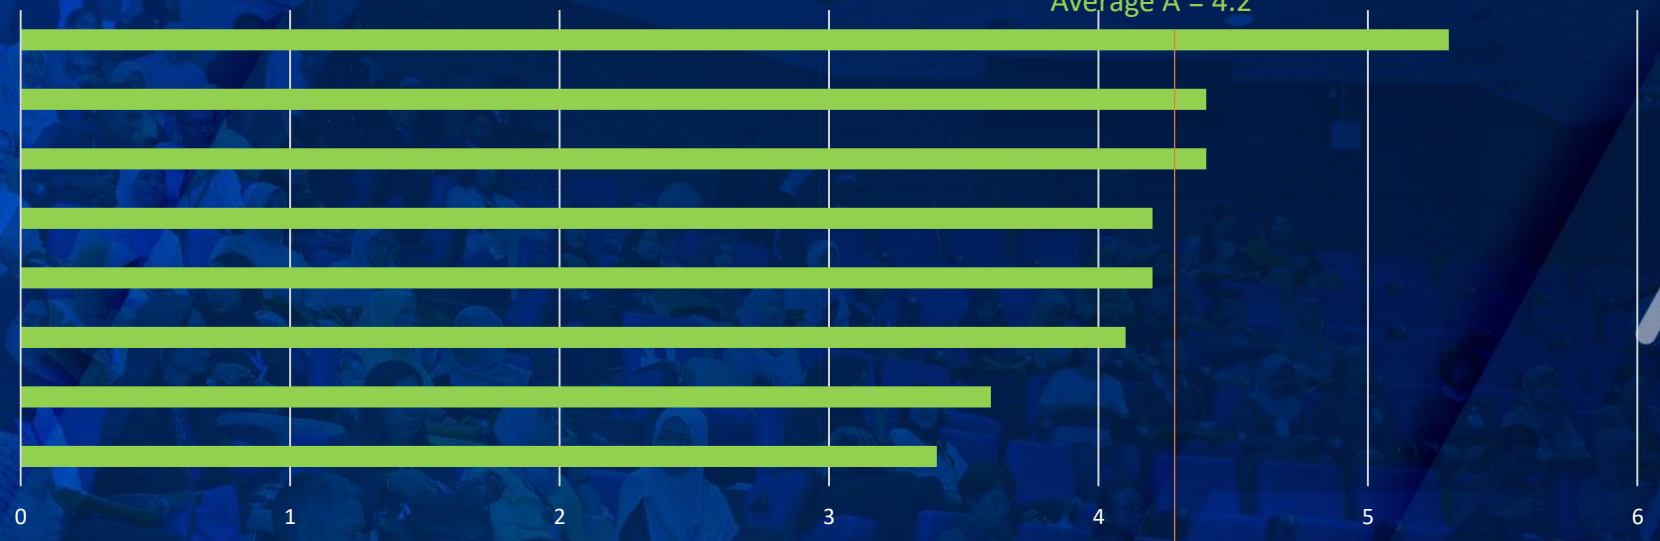

Respondents: 156

A: Experience at the Faculty

Average A = 4.2

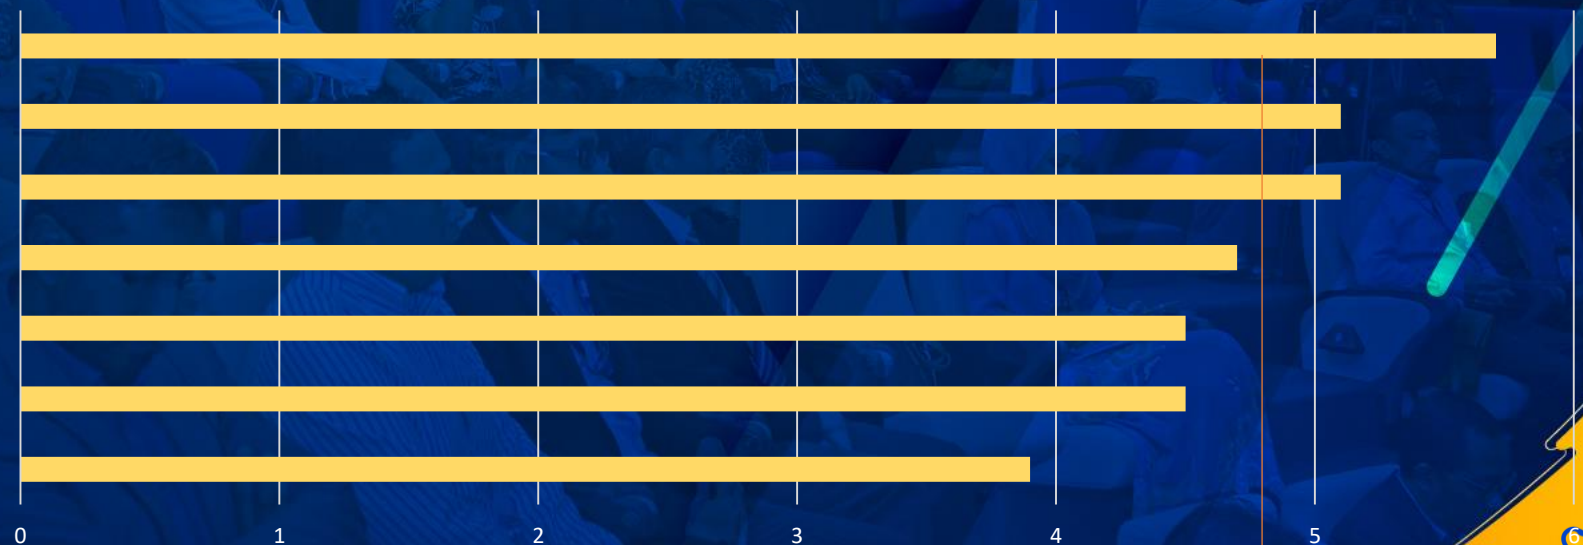

- I am proud to be a member of my faculty.
- I can see a clear link of my work and the faculty's goals and objectives.
- I am happy with the support from the leadership.
- There is effective communication with the dean's office.
- I clearly understand the faculty's strategic plan 2021-2025.
- I am happy with the resources for teaching and learning.
- The working environment is very conducive.
- I am happy with the infrastructure provided.

B: Experience at the Department

Average B = 4.8

- I am proud to be a member of my department.
- I am happy with the support from my peers.
- I am happy with the support from the leadership.
- I am happy with the administrative support.
- I am satisfied with the working environment.
- I am happy with the resources for teaching and learning.
- I am happy with the infrastructure provided.

C: Experience at Work

Average C = 4.2

The Project: Rancangan Pengumpulan
Semula (RPS) Pos Betau

“As medical students, we had the opportunity to walk into the community, engage, educate and empower them with basic health knowledge. We also approach children and school to be involved in fun, inspiring educational programs. While having lots of fun, we also experienced learning medicine from the very people that define our career - the community itself. Outreach projects as such remind them of how privileged are we and how much more has to be done to overcome the social issues and community barriers.”

Department of Biomedical Science

ASM's Top Research Scientists Malaysia (TRSM) is an ASM initiative to identify and recognize leading Malaysian research scientists actively translating their research into meaningful and impactful outcomes that significantly contribute to the nation's socio-economic transformation.

The Global 3Rs Awards program, a collaboration between AAALAC International and the IQ Consortium, recognizes the individuals for their significant innovative contributions toward the 3Rs of animal research to advance ethical science in academia or industry in any area of biology. The 3Rs are Replacement, Reduction and Refinement initiatives.

OUR PRIDE

**UNIVERSITI
MALAYA**
Faculty of Medicine

*Heartiest
Congratulations!*

Professor Dr. Thong Meow Keong
Professor of Paediatrics & Consultant Clinical Geneticist

as the

2022 recipient of the ASHG Advocacy Award

**UNIVERSITI
MALAYA**

*Heartiest
Congratulations*

**ASSOCIATE PROF. DR.
CINDY TEH SHUAN JU**

On Being Awarded

**L'Oréal-UNESCO
Fellowship for Women in Science –
Young Talent Program**

**Supporting Women in Science:
Finding medical breakthrough in science**

**UNIVERSITI
MALAYA**
Faculty of Medicine

*Heartiest
Congratulations*

Professor Dr. Ng Kwan Hoong
*Department of Biomedical Imaging
Faculty of Medicine, Universiti Malaysia*

On being elected as

**'Fellow of The World Academy of Sciences (TWAS)'
by The World Academy of Sciences for the
Advancement of Science in Developing Countries**

International Grants

Top 10 Recipients (2022)

**Honorary Professor
Dr Khoo Ee Ming**
(Primary Care Medicine)
RM5,056,289

**Assoc. Professor Dr
Reena Rajasuriar**
(Medicine)
RM1,387,452

**Professor Dr Chan
Yoke Fun**
(Medical Microbiology)
RM1,081,320

**Assoc. Professor Dr
Chang Li Yen**
(Medical Microbiology)
RM818,359

Dr Puah Suat Moi
(Biomedical Science)
RM669,915

**Professor Dr Chua
Kek Heng**
(Biomedical Science)
RM478,144

**Assoc. Professor Dr
Lim Lee Ling**
(Medicine)
RM446,293

**Professor Dr
Yvonne Lim Ai Lian**
(Parasitology)
RM409,230

**Assoc. Professor Dr
Raja Iskandar Shah**
(Medicine)
RM281,128

**Professor Dr Lau
Yee Ling**
(Parasitology)
RM267,215

National Grants

Top 10 Recipients (2022)

**Professor Dr Tunku
Kamarul Zaman**
(Orthopaedic Surgery)
RM2,385,410

Dr Leo Bey Fen
(Molecular Medicine)
RM888,802

**Professor Dr Ivy
Chung**
(Pharmacology)
RM700,000

**Assoc. Professor Dr
Amer Siddiq Amer
Nordin**
(Psychological Medicine)
RM700,000

**Professor Dr Tay
Sun Tee**
(Medical Microbiology)
RM331,300

**Assoc. Professor Dr
Abdul Halim Mokhtar**
(Sport Medicine)
RM321,200

**Professor Dr Fung
Shin Yee**
(Molecular Medicine)
RM171,000

**Dr Muhammad
Farid Nazer**
(Pharmacology)
RM166,001

**Assoc. Professor Dr
Kiew Lik Voon**
(Pharmacology)
RM165,351

**Dr Mohamad
Shafiq Azanan**
(Paediatric)
RM164,644

CIC Grants

Top 10 Recipients (2022)

Assoc. Professor Dr
Wan Zamaniah Wan
Ishak
(Clinical Oncology Unit)
RM12,013,138

Professor Dr Ho Gwo
Fuang
(Clinical Oncology Unit)
RM8,912,799

Assoc. Professor Dr
Marniza Saad
(Clinical Oncology Unit)
RM2,078,844

Professor Dr Imran
Zainal Abidin
(Medicine)
RM1,469,482

Professor Dr Ahmad
Hatim Sulaiman
(Psychological Medicine)
RM1,083,164

Assoc. Professor Dr
Maisarah
Jalalonmuhali
(Medicine)
RM960,599

Professor Dr Thong
Meow Keong
(Paediatric)
RM779,768

Professor Dr Lee Way
Seah
(Paediatric)
RM716,052

Professor Dr Chan
Wah Kheong
(Medicine)
RM715,213

Professor Dr Gan
Shiao Sze @ Gan Gin
Gin
(Medicine)
RM629,015

8 more NPMC
to be
launched by
April 2023

NATIONAL CONJOINT COMMITTEE FOR POSTGRADUATE MEDICAL DEGREES (JBILP)

2nd Consecutive
Year as JBILP's Chair

Context

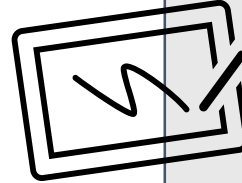

Bottleneck between number of MBBS graduates with availability of permanent posts for medical officer

Evolving medical community demands **multidisciplinary** perspectives

EDUCATIONAL GAP

Student Considerations

- Desire to pursue different career options
- Options for Struggling/ Disinterested students
 - *Lack of confidence*
 - *Immaturity*
- Attrition is ineffective
 - *Pre or post graduation*

Graduate Attributes

- Future ready and competitive
 - *Translational research skillset*
- Employable and Professional
 - *Medical or other health-related industries*
- Ready for advanced academic training

PROPOSED SOLUTION

Intercalated Year – Bachelors in Medical Sciences

*Opportunity for FOM
to meet student
needs*

“expand cognitive, psychomotor, affective and interpersonal abilities beyond the standard clinical-based medical practise.”

*Provide alternative
pathways for
training*

Structure

- 2 Pre-clinical years with 1 transdisciplinary year
- Completion resulting in a bachelor degree

*Include experts from
other faculties*

Specialization

- Interdisciplinary options
- Priority areas: Biomedical Engineering, Digital Health, Basic Sciences

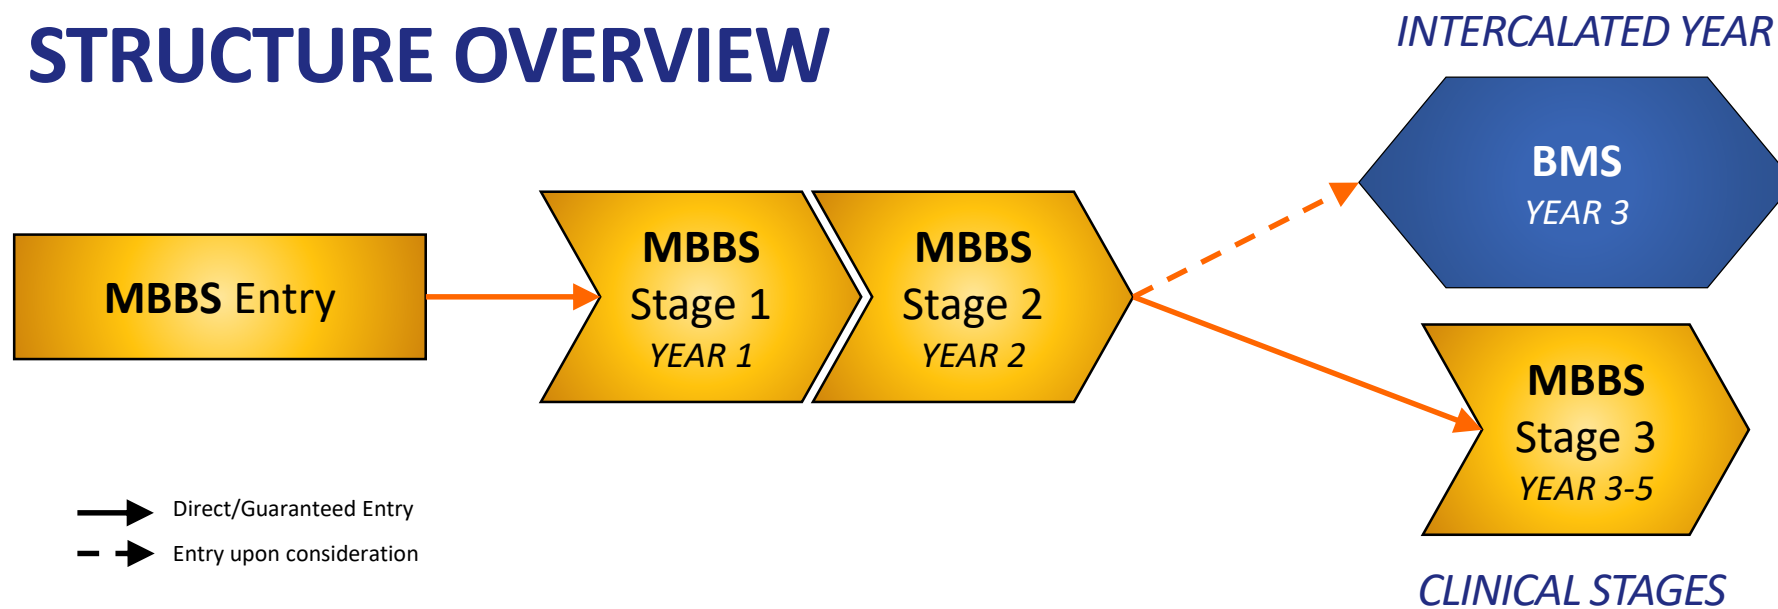

Focused Year

Intercalated option

- DUAL DEGREE

STRUCTURE OVERVIEW

Intercalated year:

- Biomedical Engineering
- Digital Health
- Research – Basic Sciences

Adapt Courses from existing
UG/ PG programmes

The background of the image is a photograph of a large audience seated in a lecture hall, viewed from a high angle. The image is overlaid with a semi-transparent blue filter. In the top-left corner, there is a yellow curved shape. In the bottom-right corner, there is a yellow curved shape. Several white geometric shapes are scattered across the image: a small star in the middle-left, a small diamond in the top-center, a small circle in the top-right, and a larger circle in the bottom-left. The text 'R; Reflect' is prominently displayed in the center-left area.

R; Reflect

QUADRANGLE FACULTY OF MEDICINE UNIVERSITI MALAYA

THE
QUADRANGLE
PROPOSED
AREA

THE QUADRANGLE

Located at the center of the faculty of medicine the quadrangle consist of:

- ❖ MD Labs
- ❖ CSU
- ❖ Anatomy Resource Center
- ❖ Anatomy Dissection Hall

ANATOMY DISSECTION HALL

Current

- General upgrade to the hall
- To subdivide the hall and to create workstations that will allow seamless connection of various surgical devices like drills, navigation, microscope and endoscopes.
- To also allow large animal dissections to be carried out for training purposes

Proposed Change

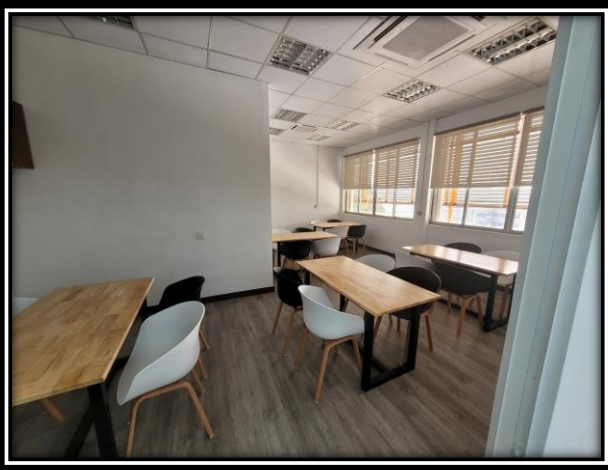

Details of Costing

Item	Equipment costs (RM)	Renovation costs (RM)
Renovation of entire level (pendant, piping, separation or movable walls). IT enabled		2,500,000.00
Trolley, bed and etc.	2,500,000.00	
TOTAL COST	5,000,000.00	

CLINICAL SKILLS UNIT (CSU)

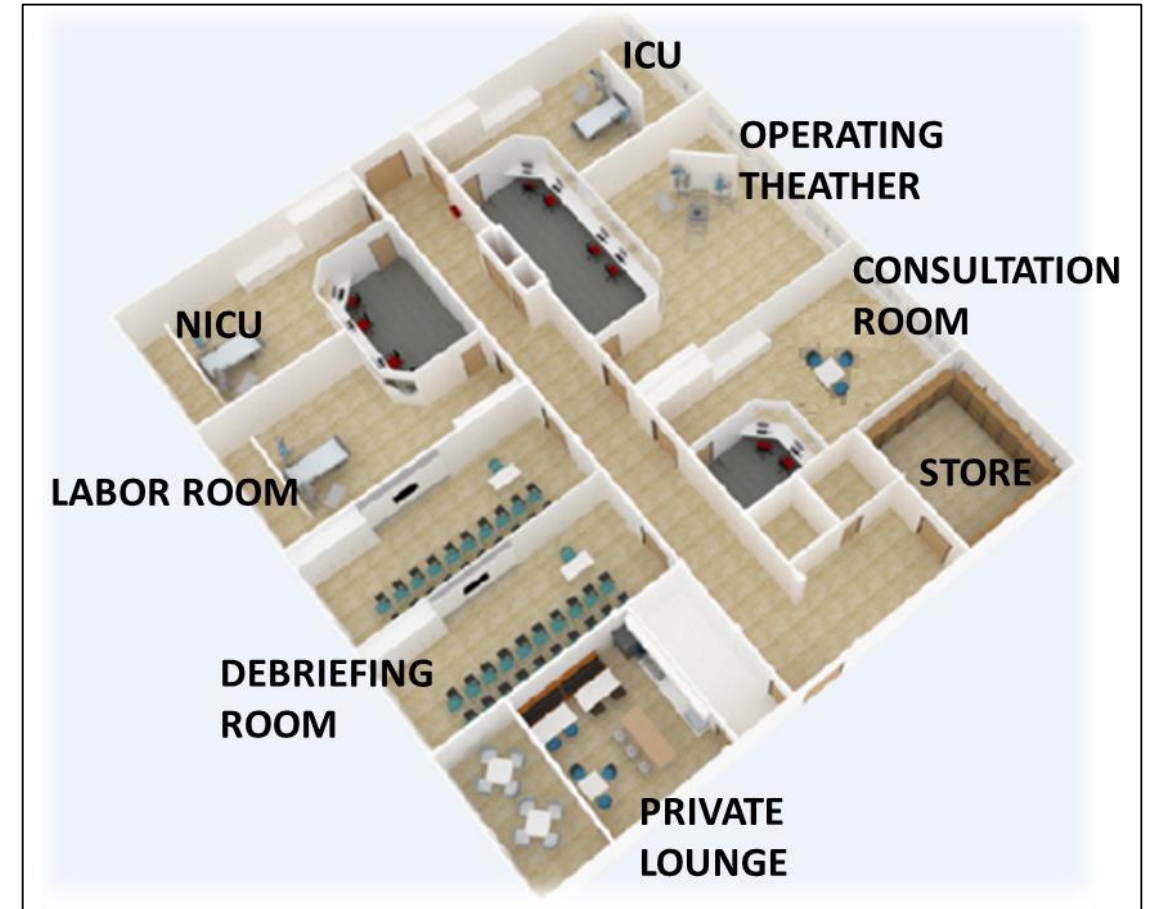

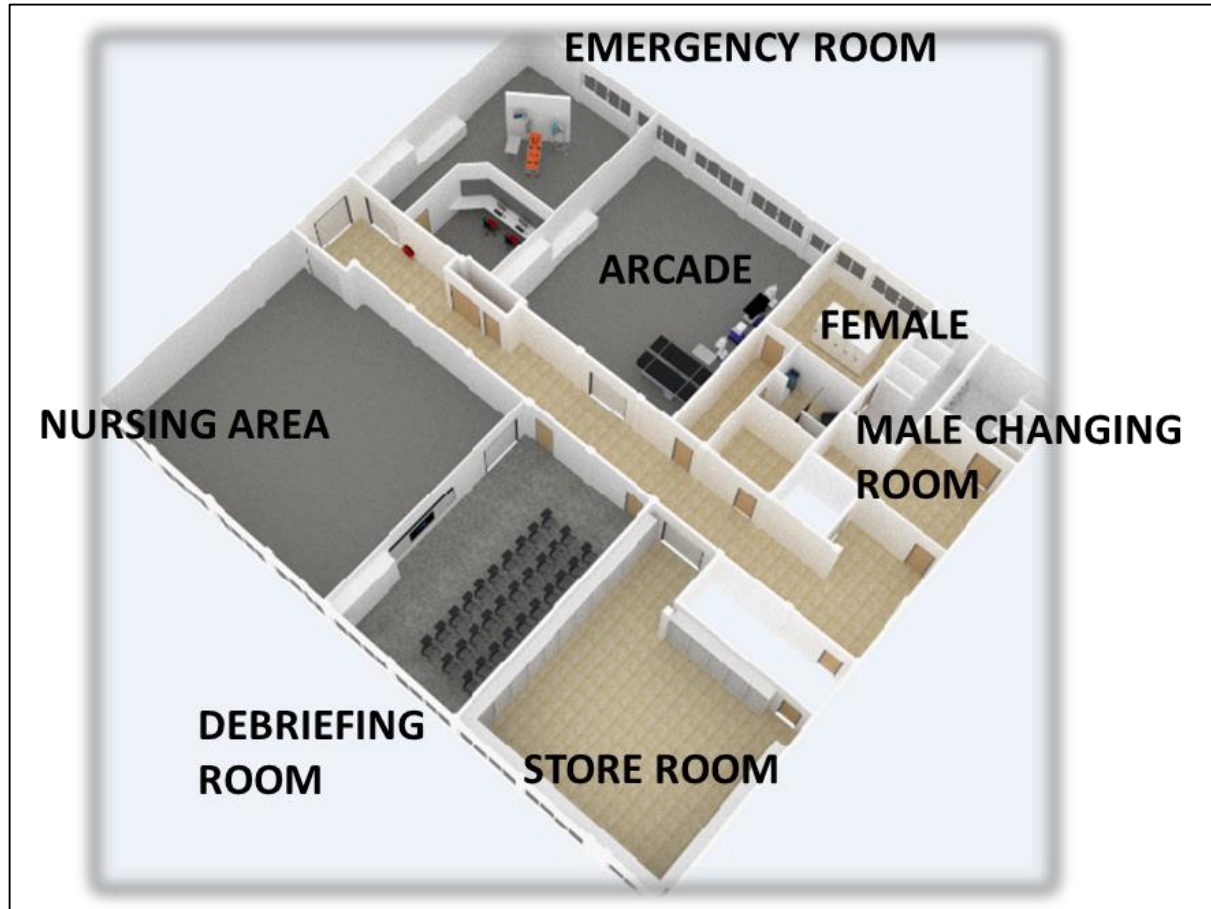

Current

- General refurbishment of the entire space
- To improve IT support
- Creation of discussion rooms that are IT enabled
- To obtain arcade style simulators for surgical training such of endoscopy.

Proposed Change Layout

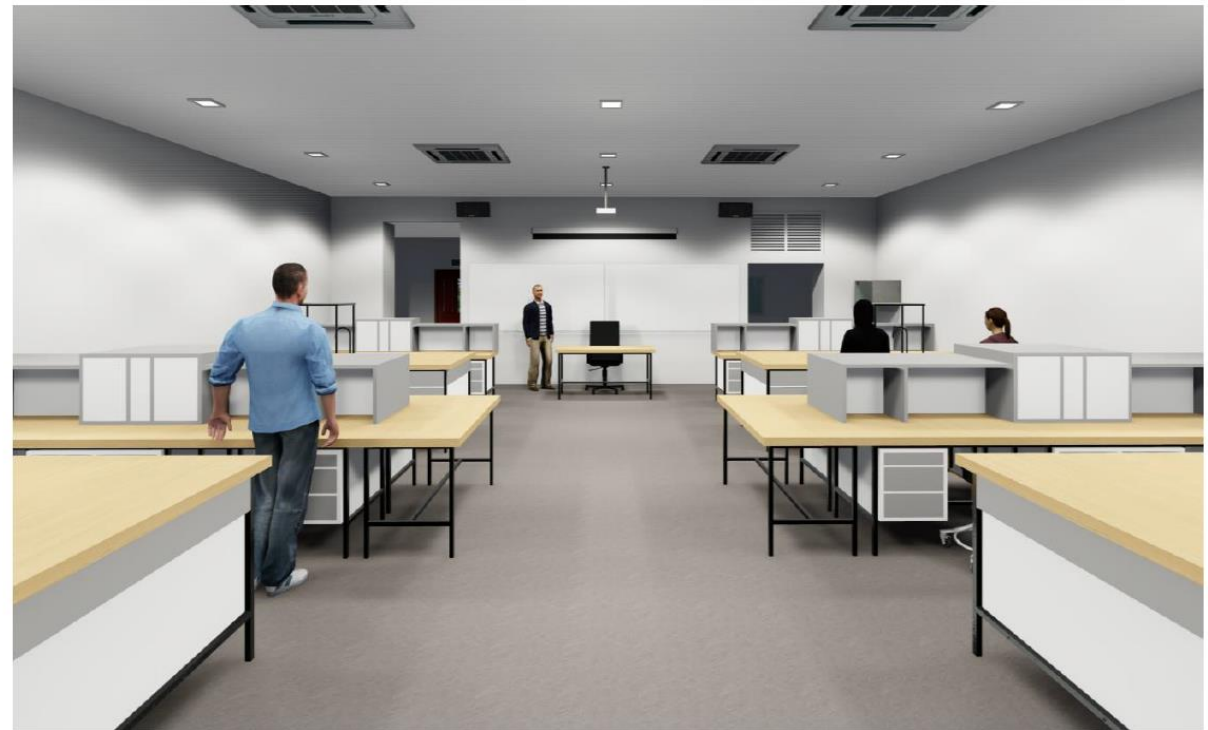

Details of Costing

Item	Equipment costs (RM)	Renovation costs (RM)
Renovation of all level		2,576,752.50
ER/ICU/PICU/NICU/LABOUR ROOM - ONE ROOM	1,900,000.00	650,000.00
Operation theatre	1,100,000.00	
Arcade room	4,000,000.00	
TOTAL COST	11,000,000.00	

MULTI DISCIPLINARY (MD) LABORATORY

EXISTING & PROPOSAL View 2

Details of Costing

Scope of refurbishment	Renovation costs (RM)
New ceilings/blinds/paintings existing furniture or upgrading	
Electrical works	
New audio visual system	
Camera	
TOTAL COST	RM150,000.00/lab

Summary...

“The pessimist complains about the wind;
the optimist expects it to change;
the realist adjusts the sails.”

William Arthur Ward

The background image shows a large, tiered lecture hall filled with an audience. The image is heavily stylized with a blue semi-transparent overlay. On the left, there is a yellow curved shape. On the right, there is a yellow curved shape and a green diagonal line. Several white geometric shapes, including a star, a circle, and a diamond, are scattered across the blue overlay. The text "Q&A Session" is centered in a white, sans-serif font.

Q&A Session
